

Institutional Distinctiveness

Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institute aims to provide the best quality of education among all students irrespective of their caste, creed, and gender. The institute always tries to implement distinctiveness in the work. Almost all the students of the college are from the surrounding villages. The number of girl students is also good in a number. Most of the students are from poor economic backgrounds. The tuition fee and living costs at the hostel of the institute are pretty low compared to other institutes in the district. The college aims to motivate them to contribute to society by acquiring proper knowledge. The institute is also gradually ramping up its infrastructure, including its ICT facility. This year we have received the grants under the strengthening component of the DBT star college scheme. The institute conducts special health-related Seminars/workshops and health check-up camps to find out the health issues of the students. Moreover, the faculty members of the institute together with non-teaching staff and students participate in various social activities, such as distributing clothes and food among the economically weaker villagers this year. Also, the institute works in the field of raising awareness about environmental issues among the villagers.
