**Hetampur, Birbhum**

Dear Parents/ Guardians,  
Since its inception in 1897, Krishna Chandra College tries to pursue excellence in education and student success as per the changing needs of society and students. Parents are one of the most important stakeholders and therefore their satisfaction is important for this Institute. Here are some of the questionnaires for giving feedback about our Institute and its system. We would be grateful if you would be kind enough to spare some of your valuable time to rate each feature of the feedback form and make a tick mark accordingly in the appropriate cell to help us bring further improvement in the Institute.

We thank you very much for your kind co-operation which was ever available.
