## NATIONAL SERVICE SCHEME : GENERAL INTRODUCTION

### About NSS:

Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. It is aimed at developing student's personality through community service. NSS is a voluntary association of young people in Colleges, Universities and at +2 levels working for a campus community linkage. The cardinal principle of the NSS programme is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building.

### Objectives of NSS:

The main objectives of National Service Scheme (NSS) are:

-  To enable the students to understand the community in which they work.
-  To understand themselves in relation to their community.
-  To identify the needs and problems in the community in the solution of which they can be involved.
-  To develop among themselves a sense of social and civic responsibility.
-  To apply education- find practical solution to individual & community problems.
-  To develop competence required for group living and sharing responsibilities.
-  Gain skills in mobilising community participation.
-  To acquire leadership qualities and democratic attitude.
-  To develop capacity to meet emergencies and national disasters
-  To practice national integration.

### NSS Motto:

The motto or watchword of the National Service Scheme is 'NOT ME BUT YOU'. This reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

### NSS Logo:

The symbol of the National Service Scheme is based on the 'Rath' wheel of the Konark Sun Temple situated in Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun-chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and upliftment.

### NSS Badge:

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any programme of community service. The Konark wheel in the symbol has eight bars which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for service of the nation round the clock i.e. for 24 hours. The Red colour in the badge indicates that the NSS volunteers are full of bold i.e. lively, active energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

### NSS Day:

NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day with appropriate programmes and activities.

#### **Financial Arrangements:**

The scheme is funded by both Central and State Governments in the ratio of 7:5 to organise Regular Activities (RA) and special Camping Programmes (SCP). An amount of Rs.210/-per volunteer per annum is released towards Regular Activities (RA) and Rs.450+140(SPPU)/- per volunteer per Special Camping Programme (SCP) which is of 7-days duration to be organised in the adopted villages/communities. In addition, the Government of India provides 100% financial assistance to run NSS Regional Centres, State Liaison Cells and TOCs/TORCs, The Central Government also provides - 100% financial assistance for implementation of NSS Programmes in Jammu & Kashmir and Union Territories without Legislatures.

#### **Administrative Structure at Institution Level**

The unit at college/+2 level is the grass-root unit in NSS. The organisation keeps contact with the community, administration, student youth and teaching faculty through this unit only. Therefore, the organisation and management of NSS unit are of vital significance.

#### **NSS Unit:**

An institution will be allotted NSS units according to the strength of students. The number of units will be allotted by the Programme Coordinator in consultation with NSS Regional Centre and State Liaison Officer considering the demands of the institution. It is expected that the institution will provide necessary facilities for the successful running of the NSS unit because it is a part of the institution i.e. college or school. The strength of a unit will be 100 NSS volunteers normally. The strength of the NSS unit can be extended upto 120 volunteers in exceptional cases where second unit cannot be raised due to constraints. It is always preferable that a separate unit is started instead of enrolling more NSS volunteers. In exceptional cases where the total strength of students enrolled is very small, a smaller NSS unit can be started with the strength of 75 NSS volunteers.

#### **Enrollment of NSS Volunteers:**

At college level the NSS volunteers will be enrolled from the first and second year degree class students. Preference should be given to the students who have worked as NSS volunteers at +2 level also. Students belonging to minority communities, scheduled castes and scheduled tribes should be encouraged to participate in NSS. They should be given due representation where more students desire to join NSS. In co-educational colleges the girls should be motivated to join NSS. The students from foreign countries studying in Indian universities should also be encouraged to join NSS so that they may share the experiences of national reconstruction and community work. NCC cadets will not be allowed to join NSS. Similarly NSS volunteers will not participate in NCC or any other youth organisation as long as they are in NSS. Same restriction will apply to the NSS Programme Officers also.

#### **Programme Officers:**

One Programme Officer will be in-charge of one unit only. Only those belonging to the teaching faculty will be considered for appointment as Programme Officer. Programme Officer will be responsible for the organisation of NSS unit, implementation of NSS programme under the supervision and direction of Principal of the college or head of the institution. The Programme Officer will be responsible to carry out the instructions issued by the Programme Coordinator of the University, NSS Regional Centre and State Liaison

Officer for the implementation of NSS activities as per the NSS Manual, programme guidelines and administrative and policy directives. There shall not be any clash between the instructions issued by the NSS Regional Centre or State Liaison Officer or Programme Coordinator as these instructions are to be based on NSS Manual/Programme guidelines or administrative or policy directives issued by the Government of India.
